Bivvy above All Cannings

A photograph of a bivvy site in a grassy field. A red bicycle with a basket is parked on the left. A large, flat, light-colored rock sits in the center. To the right of the rock is a dark blue tarp covering a bivvy bag, with various gear and a red bag nearby. A green line points to the bivvy bag. In the background, there is a wire fence and a field of tall grass under a cloudy sky.
